DCGS-A Family of Systems (FoS) Training Support Request

The G2/S2 POC, preferably SIO or Section OIC, will complete the Training Support Request below in its entirety and provide concurrence for support via email.

Type of Support and Name of Event: Sustainment Training (ie, DCGS-A Operator Refresher Training) or OTS Support (ie, CPX, MRX, WFX, etc.) Example: DCGS-A OTS Support for JRTC Rotation 10-09 LTP

Unit: Identify unit requesting support. Example: 1/82 ABN

Location: Example Fort Polk, LA Field area or Fort Campbell, MTC (Specify if will be at a field location or on main post such as at MTC)

Dates: Example: 18-24 JUNE 2019 (This will include the travel to and travel back dates and training dates).

Date DCGS-A Systems Scheduled to be Operational: (dates systems projected to be setup, configured and on G-6/S-6 network).

Hours Per Day/Extended Work Week (EWW): (ETs can provide up to 12 hours of training per day including weekends). Example: 8hr work day 5 – 9 Aug. 12hr shift work 10 – 17 Aug 19 including weekends. Request up to 84hrs EWW.

Purpose of Training: Example: Perform as a DISE in a bilateral environment. The DISE will use systems that have been approved to operate on a coalition network to provide intelligence support against a simulated near-peer threat. The conduct of this exercise, specifically DISE set-up and the utilization of DCGS, will train the participants in maintaining a common intelligence picture in a bilateral environment.

DCGS-A Family of Systems (FoS)/Functional Area Trainer Support: Example: All Source, CD-1, GEOINT (TGS & GWS), SIGINT, HUMINT, etc.

Training Objectives for each DCGS-A FoS/Functional Area: Example: 34-CO-3002 Perform Situation Development: Using MFWS Alert Center create and manage alerts; Using MFWS Map maintain an overly in MFWS Map; 34-SEC-3181 Disseminate Combat Information and Intelligence: Using MFWS Advertisement and Subscription Services maintain DDS advertisements and subscriptions.

Number of Soldiers by DCGS-A FoS/Functional Area: Example: All Source: 35x 35F SM, SIGINT: 4x 35N/P SM, etc. (Depending on the number of Soldiers in training or if exercise runs 24hrs an additional trainer may be sent).

Quantities DCGS-A Systems by FoS/Functional Area: Example: All Source: 1 x IFS & 10 x P-MFWS, SIGINT: 1 x IFS-N, 1 x IFS-J, 5 x P-MFWS NSA Net, 5 x P-MFWS JWICS, etc.

FSE/353T/35T POC: (Unit (353T/35T or FSE must be identified to support the event. If the unit doesn't have a 353T/35T or FSE an FSE can be requested via PEO C3T Operations Officer (Mr. Donald Young; donald.r.young1.civ@mail.mil; (910) 907-5244).
